

## Introducing a new era in Intrusion Detection - 6<sup>th</sup> Sense Alarm Systems

The unimaginable happens; damage will be caused and valuables stolen.  
The criminal will likely get away!

**But what if!**

The Monitoring Station receives the alarm as soon as the door/sensor is opened/triggered.  
Verifies the Intrusion. Calls the Police, the intruder and you / the key-holder.

OR

You receive the alarm with video verification!

Absolute peace of mind from £565 installed and just 30 pence p/day, that's £8.90 p/month  
(including VAT)

**Your privacy is assured.**

*No wires, no mess, no fuss!*

Derived from military radio technology with up to 400 metre range (not Wi-Fi) with up to 8 years battery life. Add cameras indoors and outdoors to send video clips on activation.

**For insurance and Police Response these are Grade 2 Class 2 Alarm Systems.**
